Music creates a sense of freedom in my mind and...
Music creates a sense of freedom in my mind and soul. When I am standing in the
crowd and feeling the passion, which rises with every beat. . . . That's what excites
me and makes me feel alive. . . .
michael , german fan
I love listening to electronic dance music because when I hear the sounds, I feel
free! All my stress goes away. Today, I was very stressed about my school stuff,
